Poloff delivered demarche to Salah Al-Saif of the MFA
Department of International Organizations on December 15.
Given GOK's 'no' vote on the Iran and Turkmenistan
resolutions during the UNGA Third Committee, poloff
encouraged GOK to at least abstain on any no action motions
in addition to the resolutions themselves. While Al-Saif said
he would share our concerns with his office director and
their UN delegation, he added that GOK did not want to
'provoke' Iran by voting 'yes.' Al-Saif expressed hesitations
voting against Turkmenistan, a fellow member of the
Organization of Islamic Conferences.
